OBJECTIVE

To find a project where I can maximize my management skills, program development, and training experience as well as my creativity and design talent.

WORK EXPERIENCE: MANAGEMENT

Project Manager

Success United

Columbia, South America

January, 2012-present

I oversee hiring, management of the team, and coordination of the production process for Success United - an application development company creating popular apps for the iPhone and iPad.

Project Manager

Special Glue

Melbourne, Australia

November, 2011-present

I handle project development and management for Special Glue - a company based in Melbourne, Australia specializing in web, social media, and mobile technology.

Project Manager

The Minibee

New York City

December, 2011-February, 2012

I handle project management, marketing, and promotions for The Minibee, an educational start-up engaged in reviving grassroots parenting through the sales of music focused nursery books and media.

Project Manager

oDesk Enterprises, oDesk.com

San Francisco, California

November, 2010-July, 2011

I managed two projects for two of their biggest clients/accounts. Responsibilities include training, materials development, process optimization, and day to day management.

HIGH SCHOOL EDUCATION

Our Lady of Fatima
Academy (OLFA)
Poblacion, Tanauan
City, Batangas

Owner/Founder

JonasDiego.COM/Robo Monkey Pixel Fighters (RMPF)

Unit 1527 Cityland Pasing Tamo Tower
2210 Don Chino Roces Avenue, Makati City
May, 2008-present

I manage the studio's operations as well as oversee the creative and business development activities for the company.

Creative and Development Director

Rogue Digital, Inc.

Unit 306 SEDCCO Bldg.
Rada Street Salcedo Village, Makati City
January, 2009-September, 2009

I headed the Creative and Development department of Rogue and oversaw technical and creative aspects of all its campaigns and accounts.

Studio Director/Country Manager

Interactive Art Services, Inc.

Unit 305 One Corporate Plaza 845
Arnaiz Avenue (formerly Pasay Road), Makati City
November, 2005-May, 2008

- *I managed the setup and then the Philippine operations of the studio, a leading provider of storyboards and animatics to the US and UK advertising industry.*
- *Marketed and promoted Challenge of the Super-duper Friends, a viral video designed to launch Viral Medium - a new web agency owned by Interactive Art Services, Inc.*

Marketing and Business Development Officer

MRM Studios

Pacific Star Building
Makati Avenue corner Buendia Avenue

November, 2003 to November, 2005
I conceptualized and implemented various online and offline marketing strategies for the company. I also facilitated partnerships between MRM and other companies and groups as well as supervising content development and production.

Information, Education, Communication (IEC) Officer

Haribon Foundation

Teacher's Village
Mayaman Avenue, Quezon City

July, 2001 to June, 2003
I did graphic design and layout as well as served as a writer for the foundation. Part of my job was also to manage Haribon's corporate branding as well as coordination with the various advertising agencies we were working with during that time for a national ad campaign whose aim was to increase awareness about Haribon and the state of the Philippine environment. I also served as Officer-in-Charge for a spell when our department head resigned.

Information Officer

AusAID/FAO FMD Control and Eradication Task Force

BAI Compound

Visayas Avenue, Quezon City

October, 1999 to December, 2001

I supervised two teams based in Batangas and Bulacan for the project's School-on-the-Air program and assisted the other teams based in Baguio and Bicol when needed. I also helped supervise the national tri-media campaign to increase awareness about Foot and Mouth Disease (FMD) as well as served as graphic designer and voice talent on various occasions.

WORK EXPERIENCE: CONSULTANCY**Consultant**

Red and Black Solutions

Australia

February, 2012

I developed a pitch for Red and Black Solution's client, Olive Grove Consulting which included a web design and development, a content management system, SEO, and a web-based promotions campaign.

Consultant

Richard Brown

USA

January, 2012

I developed an internship and talent retention program for Richard Brown's popular news website about American Football (both professional and college league).

Consultant

Jake Oliver

USA

August, 2011-present

I provide technical and creative expertise and insights regarding anything and everything about the online realm and new media in general with the goal of helping Jake build his online image/brand and grow his community.

Consultant

Tim Kainu

Michigan, USA

August, 2011

I provide technical and creative expertise for his online properties with the objective of growing his community and monetizing its online traffic.

New Media Consultant

Go Natural

No. 59 Betty Go Belmonte St. cor E. Rodriguez Sr. Blvd.

New Manila, Quezon City

January, 2010-October, 2011

I provide technical and creative expertise and insights regarding anything and everything about the online realm and new media in general.

New Media Consultant

Publicus, Ltd.

Unit 1704 17F Jollibee Plaza Condominium

F. Ortigas, Jr. Rd., Ortigas Center, Pasig City

September, 2009-October, 2009

I provide technical and creative expertise and insights regarding anything and everything about the online realm and new media in general, specifically with regards to the 2010 presidential bid of Senator Francis "Chiz" Escudero.

Creative Consultant

Yellowasp / Net Booster Asia, Inc.

Unit 2101 Antel Corporate Center

#121 Valero Street Salcedo Village, Makati City

October, 2008-December, 2008

I provided insights and developed strategies for the two companies' viral marketing campaign and strategies for their various clients such as UNILEVER, Greenwich, L'OREAL to name a few.

WORK EXPERIENCE: CREATIVE WORKS

Graphic Designer/Comic Book Creator

RSN Trading, Australia

February, 2012- present

I create designs for web and print consumption for RSN Trading's (an Australian-based company) various clients.

Graphic Designer/Comic Book Creator

Salvatore Fazio, Australia

January, 2012

I designed the logo, website, mascot, and produced a 4-page comic book for Qwic, a company who manufacture staples and staplers used to connect timber together.

Workshop Designer and Facilitator

Getz Pharma Philippines

2nd Floor Tower 1, The Rockwell Business Center, Ortigas Avenue

May, 2010

I developed and facilitated a national art workshop targeted for doctors and other medical professional designed to promote a new brand being introduced in the Philippines by the company.

Writer/Translator

Supa Strikas, Strika Entertainment/Caltex

Cape Town, West Africa

September, 2010-present

I localize Supa Strika comics and other materials used by Caltex in their campaigns for the Philippine market (Tagalog and Cebuano).

Comic Book Creator

Various Companies
